The screenshot shows the Autodesk Licensing - Activation Options window. The main window displays the Autodesk logo and the title "Product License Activation Options". Below the logo, the product details are listed: Product: AutoCAD 2012, Serial Number: 666-69696969, Product Key: 001D1, and Request code: QYDV F6Y8 4RD. There are two radio buttons for activation options: "Connect now and activate! (Recommended)" and "I have an activation code from Autodesk". Below these are 16 input fields for an activation code and a "Clear All" button. At the bottom are "Back", "Close", and "Next" buttons. A copyright notice at the bottom reads "(c) Copyright 2010 Autodesk, Inc. All rights reserved. Version: 19.0.0.1 - Privacy Policy".

An "Autodesk Products 2012" window is overlaid on top. It features the X-Force logo and a form with a "Request" field containing "Paste Authentication here" and an "Activation" field containing "And press Generate". Below the form are three buttons: "Mem Patch" (circled in red with a red "1" next to it), "Generate", and "Quit". The text "Crypto" and "X-FORCE TEAM" are visible at the bottom of this window.

A "Success" dialog box is also overlaid, titled "Success" with "FXPZ" in the top right corner. It contains the text "Successfully patched!" and a "Tamam" button (circled in red with a red "2" next to it). The dialog also contains some partially visible text: "select 'Connect now and activate!' you requested and received an de from Autodesk".
